VIRTUAL LIBRARY COURIER SERVICE COMES TO **INSTITUTION NAME**

Students and faculty at **FULL INSTITUTIONAL NAME** now have access to free delivery of interlibrary loans, thanks to a ground courier service provided by the Kentucky Virtual Library.

“LOCAL QUOTE.”

The library-to-library delivery service makes it possible for residents anywhere in the state to request a book or resource held at another library and have it delivered to the requesting library in as little as 24 hours. Locally, this service is also available at **local participating institutions.**

“This is one of the KYVL initiatives to make information resources easily and quickly accessible to all Kentuckians,” explained Ling-yuh W. (Miko) Pattie, the director of the KYVL.
